

# Police and Fire RFP

## Questions and Answers

**1) How many dispatch workstations are there?**

3 Workstations

**2) How many Police mobiles are included?**

30 vehicles equipped with Panasonic Ruggedized CF-30 computers (includes built-in wireless card and GPS unit)

**3) How many Fire mobiles are included?**

5 Fire chief vehicles (Dell Laptops)

8 Fire trucks (Dell Laptops)

**4) Will the City of Eden Prairie require the vendor to provide server hardware?**

The City of the Eden Prairie currently has NetApp SAN storage with VMWare installed. We would prefer to use our existing hardware if possible. If the software does not run on this kind of hardware, please specify the requirements.

**5) What is CIS?**

CIS stands for Computer Intelligence System which is an internally developed web based application to bring CAD, RMS, document imaging system and Map etc. together to Police staff on our Intranet.

**6) Is the vendor required to be on site for a visit on May 22, 2008?**

**No.**
