# EDEN PRAIRIE CO-REC VOLLEYBALL RULES

SUMMER -2009

## **\*\*Eligibility:**

\* In order for a player to be legally playing on a team they must be on that team's roster prior to playing for that team.

\* A player may only play on 1 team per league. They may play on another team in another league.

## **\*\*Games:**

\*Games are at Riley Lake Park- 9180 Riley Lake Road (courts 1-4) or Round Lake Park- 16691 Valley View Road (courts 1-2.)

\*Six people play at a time. If a team does not have at least four players at game time, a 5 minute grace period is given before the first game is forfeited. If after 15 minutes there are still not enough players then the entire match will be forfeited. A team may never play with fewer than 4 players. In the Tuesday night's open 4's division a team must have minimum of 2 players to start/play the match.

Co-Rec: teams may not have more men than women on the court.

Ex: (3 men-2 women are not ok).

Teams may have more women than men on the court.

Ex: (3 women-2 men is ok) even (5 women-1 man is ok).

***A game is to 25 pts. Win by 2 pts. (30 POINT CAP)  
All games are rally score!***

\*A match consists of a maximum of 4 games.

\*Matches scheduled on the hour will have a 55 min. Time limit.

**\*Note: Whenever there is between 5-10 minutes left in the match, a final game will be played. In order for the game to count, a team must be to at least 11 pts/ or it does not count in the standings (if there are 4 minutes or less remaining than the next game will not be played)!**

If time runs out (regardless of if it's the 2<sup>nd</sup>, 3<sup>rd</sup> or 4<sup>th</sup> game) and a team is to 11 (or more points) and ahead by 2 (or more points) they will be declared the winner of that game. If either team is to at least 9 points and ahead by no more than 1 point (or the 2 teams are tied at 9 points a cap of 2 more points cap will be put in place to determine the winner of that game.) If in the game time runs out and one team has 10 points (or more) and the other team is behind by only one point, a cap of 2 points higher then the current highest score will be the cap for that game. So if for example the score is 16 to 15 the cap would be 18. (2 more than the highest score of 16.) A score of 7 to 5 (for example) would be considered a non game with the time expiring the game would not continue and it would not be counted as an official game.

\*At the beginning of the match, the official should let the teams know the time and the time when the match will conclude.

\*If the official doesn't announce what time the match started and when it will end, it is the captain's responsibility to ask the official at the *beginning* of the match. Occasionally circumstances prevent all the matches from having a full 55 minutes of play. If this happens, time should be deducted from all remaining matches until the night is back on schedule. Officials must announce such time deductions at the *beginning* of the match.

\*The team captain may ask an official to call the match tighter.

\*The team captain may not ask an official to call the match looser.

**Complaining by team members will not be tolerated.**  
**The participant will be warned, and if it persists they will be asked to leave!**

**\*\*General Rules:**

\*Games will be played according to USA Volleyball rules, except for the following adjustments:

**\*\* All calls that an official is unsure about should be replayed.**

**Officials should not ask a player what the call was .this only causes problems on future calls.**

**Note: if the official makes a call and a player admits that the call should have been otherwise, the official may change the call. This only applies when the call now goes against the player making the admission. Players please be honest!**

\*Teams should not make any inappropriate comments or gestures to individuals of the opposing team. Officials should intervene if this occurs.

**\*Officials should use red/yellow cards for individuals that make inappropriate comments/gesture or slam/kick the ball!**

\*Typically teams will want a couple of minutes to warm up before their match. Remember this does go against your 55 minute time limit.

**\*\*Miscellaneous**

\*Teams tying for first place etc. will be decided by:

1) Head to head competition.

2) Games won/lost against other teams based on record.

\*All protests will be handled by the athletic coordinator.

**\*Players should not bring unattended children to their match.**

\*League standings determine where teams will play in future leagues.

\*Players may be added to your team's roster at any time throughout the season for regular season play, players may not be added for any additional play-off games. In order for a player to be eligible they must be on your team's roster prior to playing on your team. To add a player to your teams roster simply e-mail that players name and address to the league director prior to their 1<sup>st</sup> day/night of play. State requirements may not/are not the same as local league requirements. If your team chooses to play in regional or state competition contact the league director for more information.
