

Open Wi-Fi Policy

The City of Eden Prairie offers free Wi-Fi at the Community Center, City Center, Senior Center and Art Center for the community and is subject to all applicable policies and guidelines of the City of Eden Prairie and all state and federal laws related to internet use, including copyright laws.

Access to Wi-Fi offers limited bandwidth for services including Web access, E-mail, and VPN.

Wireless service is provided on an unsecured wireless network, thus, it is strongly recommended that users not use it to transmit personal, financial or legal data. It is not possible for the City to protect users of Open Wi-fi against malicious theft or interception of personal data. The City will not assume responsibility for the safety of equipment, data or configurations resulting from connection to the City's wireless service. Virus and security protection is the responsibility of the wireless user.
